Prez Sez

Hello Lions

I would like to thank all of you for a very good year in Lionism. Last year I asked that we come up with new projects, well, we definitely did that! Poinsettia Sales, Butterbraid Sales, Drop-n-Shop daycare were just a few. Some were more successful than others, but at least we came up with some new ideas. We wanted to increase our membership—well... we fell a little short on that one, we will be installing our 2nd new member at the installation dinner. We wanted to keep an eye on unnecessary spending to balance our budget— I believe we have made significant strides towards this goal, the moves we made this year that should save us a lot of money. I would also like to thank everyone who worked on projects, without your help the projects would not have been as successful and we would not have been able to help everyone that we did help.

By now, everyone has received an invitation to Lion Ed's Installation Dinner. The menu has changed but the food is still very good. Lets give Lion Ed your support by coming to his installation dinner and party. The cost this year is the lowest it has been in a long time and we are hoping for a big turnout.

Lion Paul Groth
President

I know that since last month the menu for the installation dinner has changed, but with the times the way they are we felt that it was time to make the installation dinner more affordable for families to attend. I hope you to see you at my installation dinner and awards ceremony and show your for our outgoing President.

The dress code for this is shorts and a Hawaiian Shirt. We will have a Mai-Tai fountain and open bar for the 1st hour. Please get your RSVP's in quickly, so we can plan on the food we will need for the party.

Thanks
Lion Ed
