Prez Sez

Aloha Lions

I'm going to make this short.

I wish all of you a Wonderful Christmas season. I hope we all have a chance to spend time with our family and friends! If you find yourself out and about, please be careful driving, winter can be tough around here. As I write this, our holiday baskets are in full swing and the last I heard, we are over 225 baskets. Leo really has his hands full and is doing a great job. I think I will let the rest of this news letter speak for itself.

Once again I hope this letter find everybody in good health.

Aloha Big ED

P.S. Our guess speaker next month is Renee Reeder O.D. from the Illinois College of Optometry who will talk about your eyes and diabetes.

Daycare

Starting in January we will have Lion Joy McDonald's daughter, Julie there to provide a "daycare" for kids while the meeting is going on. If you have any toys you would like to donate to this, we will definitely take them.

This is being done as a pilot to see if we can get any younger members to join our club, so if you know of someone who might join, but says they would have to get a babysitter, please let them know that this is available. The cost is free (as long as the parents are attending the meeting) and is open to Lions and non-Lions.

Congrats

Congratulations to Lion Paula Eaton for winning the Senior Director of the Year award from the Illinois Department of Aging.
