# Prez Sez

Aloha all Lions,

There will be no general meeting this month, just a work party. We will use this time to get ready for Lion Ray's installation dinner. My idea is to have a party as we set up for a party.

Ask Lion Leo to show you our new lawn mower and no, I did not steal it from Buck Brothers.

Speaking of Lion Leo, I finally talked him in to having a half price bar night after Lion Ray's dinner, so there is no reason not to stick around and party.

I hope everybody has a chance to get out and enjoy this beautiful weather.

I hope this letter finds you in good health,

Aloha Big Ed

# Installation Dinner

Hello fellow Lions.

This is Lion Ray Eaton and I just wanted to give you some info about the upcoming Installation Banquet & Awards Ceremony.

It will be held at the Lions club on June 4th. Social hour is 6 to 7 with an open bar. Dinner will start at 7pm with the awards to follow and then installation of the new board. Afterwards we will have entertainment from 9 until 12. The entertainer is Edison James. He is a fantastic entertainer that plays the keyboard with downloaded music while he sings. Lion Paula has used him many times so as a special favor to her, he canceled a previous engagement to be with us that night. Dees catering is providing the food. Lion Paula uses them often also and they are providing an excellent meal (for a special price) for us that consists of a garden salad, Chicken Kiev and London broil (yes both), California mixed vegetables, rolls and a banana split cake to die for! Thank you Lion Paula! The cost is just \$10.00 per person and \$15.00 per couple, if paid in advance. Please get back to me if you are coming or not ASAP.

Contact me at (847) 269-3997.

An error was made on the postcards. The dress code is dressy casual. If you want to have some fun, make it dressy Hawaiian!

Looking forward to seeing all of you and an exciting new year.

Yours in Lions,

Lion Ray Eaton

# Work Party

We will need people to help set up on Wednesday for the Installation Dinner on Friday.

If you find yourself with nothing to do, I'm sure Lion Leo can find something for you to help with.

Once the work is all done, we'll have a nice little cookout with burgers, hot dogs, Italian sausage, chips & salads. And there's always beer to drink.

# Summer Meat Spin

It's that time of year again and your help is needed to make the Summer Meat Spin Raffle successful again.

The Meat Spin will be on Friday, June 25th.

Lion Linda Scham will have a sign up sheet at the June work party. You can help out for as long as you would like. If you are unable to attend and would still like to volunteer, please contact Lion Linda at (847) 809-9012 or by email at [lscham@southelginlions.com](mailto:lscham@southelginlions.com).

Come to help and then stay to play!

# Repairs at the Club

Insulation in the attic has been installed.  
This should help decrease our energy bills.

After defective shingles were found on the roof, the roof is being redone. According to Lion Joe Groth, the roof is well on its way to being complete.

# Future Events

As far as I can tell, it looks like June is going to be a quiet month, so here are some events to look forward to:

The Village is doing a Food Drive before the 4th of July Parade this year and we would like to send down some volunteers to help. It would be a great opportunity to promote the Lions Club.

After the 4th of July Parade, refreshments will be served at the Lions Club, so please come to help out and enjoy the afternoon.

River Fest is coming up in August. We will need volunteers, so please try to keep us in mind and keep your schedules free to come and help out.

Save your full cancelled envelopes and bring them with you to club meetings to turn in. There will be a drawing on September 1st at the General Meeting for prizes.

## Protect your identity!

Another way to keep us all safe!

ID theft catches most victims by surprise. You know how to monitor your credit with a credit score, right?

Now you can monitor your risk for identity fraud, as well!

MyIDScore.com is a free public service that gives consumers a new way to quickly assess whether or not they are at risk of identity fraud. By proactively checking your identity score, a number that predicts your likelihood of being a victim of identity theft, you have the power to know when your identity is being used without your permission.

Visit <https://www.myidscore.com/> to get your identity score today!

Wear a Hawaiian shirt for a chance at a \$10 donation in your name.

We are always looking for more help on bingo nights.

Come on down to help out for a few hours.

Stay and play some bingo after!

Or come later to help us clean up and stay for a few drinks.
